

**Space Park Enology Club Presents**

**Top 100 Wines  
“Around the World Finds”  
from Albertsons, Vons, & Pavilions**

**Friday, February 23, 2024, 7:00 pm**

The Space Park Enology Club is proud to present our third annual Top 100 tasting based on **Wine Spectator’s Top 100 Wines of 2023**. We have again partnered with Albertsons/Vons/Pavilions to obtain hard-to-find wines from around the world, including the US, Italy, Spain, & Chile. The tasting consists of 6 highly rated wines, all scoring 91 points or above. We have a fantastic lineup of speakers, including **Joel Gott** and **Greg Brewer**. **Michael Jordon** (Master of Wine) will moderate the tasting.

**How does the rating system work?** In 2023 Wine Spectator (WS) reviewed about 9,200 wines of which only 60% rated 90 points or above on a 100-point scale. From that pool of 90+ wines, WS selected its Top 100 based on quality (score), value (price), availability in the US, and an X-factor (story behind the wine). Check out the full Top 100 list at: <https://top100.winespectator.com>

Our 6-bottle bundle of Top 100 “Around the World Finds” shown in the table below balances both quality and value. The best value may be Joel Gott’s 91-point, 31<sup>st</sup> ranked Sauvignon Blanc. The highest quality may be the 95-point, 7<sup>th</sup> ranked Tuscan wine, Antinori’s Chianti Classico Riserva. On February 23<sup>rd</sup>, please join us, try all of these wines, and decide for yourself!

The final price for this bundle is still in work, but should be approximately \$165, including all discounts and taxes. We will taste the wines in the following order:
