

Space Park Enology Club Presents
Pali Wine Company
with winemaker **Aaron Walker**

Friday, November 6 at 7:30 pm
Virtual Tasting via Zoom

The Space Park Enology Club is very pleased to host this visit with Aaron Walker, winemaker at Pali Wine Company. What started with backyard dinners and a love of wine has grown into a family-run winery with roots across California's Central Coast.

Founded by Tim and Judy Perr in 2005, Pali Wine Co. blends tradition, curiosity, and community, growing from their early days in a Lompoc garage to their estate vineyard, natural wine project, and coastal tasting rooms. Pali is guided by two generations of the Perr family, and their talented winemaker, Aaron, has been crafting Pali wine since it began.

The team makes wine that reflects people, place, and purpose. Pali's website says, "It is impossible to imagine our favorite nights with friends and family, our most memorable meals, and our fondest memories without a glass of fine wine." This theme is embodied in two labels: Pali Wine Co. and Neighborhood Winery.

Pali Wine Co. crafts critically acclaimed wines using grapes from their 50-acre, organically farmed Santa Rita Hills estate.

Neighborhood Winery specializes in intriguing, zesty, and enjoyable cuvées that push the boundaries of conventional wine flavor profiles.

Pali has multiple tasting rooms in **Santa Barbara's Funk Zone**, **Anaheim's Packing District**, and **San Diego's Hillcrest community**. You can also tour their Lompoc, CA winery by appointment.
